If you wish to continue having me as your physician, please contact The Lung Consultants to schedule an appointment. You may also continue your care through O2 Pulmonary and Sleep Group with a different physician.

Your medical records are confidential, and a copy can be transferred to another doctor or released to you or another person you designate only through your permission. If you wish to transfer care to me, please contact O2 Pulmonary and Sleep Group to have your medical records sent to the new practice.

It has been a great pleasure providing for your health care needs over the years.

Best wishes for your future health.
